Service Day

Dulaney Chapter had a great turnout for Lodge Service Day this year. We worked on several projects including clearing roofs of shingles in preparation for the installation of new metal roofs, moving the front gate at Camp Saffran’s Rosenberg Headquarters, and aiding in the repair of a water main break. A great time was had by all. Stay posted for more service opportunities throughout the year.

Spring Fellowship

Spring Fellowship was a blast this year with the first events of the Color War. Dulaney Chapter had a great turn out as did our color team partner Carroll Chapter. Together as Blue Team we won Lodgeball, Volleyball, and took an over 150 point lead in the Color War! We ended Saturday night with Star Wars: The Force Awakens and that stirred the question, Is it a sequel to the originals or a prelude to NE-6A Conclave?

Despite bitter cold, three forms of precipitation, and weather phenomenon best described as “Just a Maryland Weekend” everyone who came out to Fellowship had a great time.

Dulaney District Camporee

As the first call out ceremony of the year for our Chapter we had a large role to fill Saturday Night. A large How-How goes out to our ceremonies team for a flawless call out ceremony that blew away the audience. No one walked away from that ceremony disappointed.

Thank you to all of our brothers, youth and adult, that staffed camporee this year. Thank you also to all of our brothers leading troops and patrols at camporee this year for setting an example of servant leadership and cheerful service. Finally, congratulations to all of our brothers who won at any level this weekend including four of our officers and a former Chapter Chief who won the weekend overall. How-How
