August Chapter Meeting

By Nick Scholl

This past meeting on August 28th we welcomed scores of new members straight from their ordeal last Sunday and introduced them to how our chapter operates. After introducing himself, the chief had the Vice-chiefs introduce themselves along with the newly appointed secretary.

Next, the committee splits occurred on a rotation where groups of members would visit each committee and listen to its leader’s explanation or visit the programs committee and take part in making fried donuts. Once everyone had visited each committee and fried their dough, the group came back together to decide on the theme for next meeting.

Following that, the Chief’s minute and Advisor’s minute reminded all of our new members of how they can obtain the first year arrowman award with its lauded patch.

The highlight of this meeting was the doughnuts and although a couple batches at the beginning had an uncanny resemblance to greasy Swedish meatballs, by the end of the meeting they started coming out of the fryer as the delicious dough nuggets they should be.

Dulaney chapter hopes to see you all at our next meeting where the theme will be Jeopardy! September 25th.

MEMES
