Dulaney Chapter Newsletter
Issue No.2 February 2016

Chiefly Speaking

Sam Shrestha

Happy holidays Dulaney Chapter and a happy new year! With 2015 having come to a close and 2016 just starting up, as the new Chief I'm excited to get the opportunity to work with all of you as well as the new chapter leadership. I know we can make 2016 a great year. In early December at LLD, the chapter leadership got to get together to attend training and brainstorm/plan great ideas, activities, events, and goals. As a general overview, we want bring in new and old members to build our numbers, reach out and connect with the troops, packs, and parks that fall under our chapter, have some fun and exciting chapter meetings, provide a good showing at lodge events, and do some cheerful service for our community. Together, we can accomplish these goals have a great 2016 for ourselves and for our chapter.

LLD

Drew Perkoski

At LLD Dulaney Chapter's 2016 officers gathered for the first time to prepare for and plan the beginning of our order's second century. LLD was an opportunity to set the tone for 2016 and give direction for the next year. We showed outstanding teamwork and camaraderie as was seen by the entirety of the lodge. Every officer came away from their trainings with new ideas which were culminated into the chapter 2016 goals and schedule. It appears 2016 may be the best year to date.

All the information you need is there!

Vice Chief of Program

Jacob Huneke

Throughout my term as Vice Chief of Program, I have a few goals I would like to achieve. First of them is to raise the average attendance at chapter meetings. Secondly I would also like to raise attendance at lodge functions.

How would I do this? Great program plans that keep arrowmen interested and coming back for more. Throughout the year I will strive to bring to Dulaney chapter the best program I can.

Look forward to a fantastic beginning of our Second Century of Service

Vice Chiefs of Inductions

Brennan Hula & Ethan Kincaid

We both hope you had a nice winter break and are ready for 2016. For the two of us we have some goals we would like to accomplish. The top priority this year is the training of our commissioners for this is a scout's first meeting with an OA representative. Our other top goal it to make sure troops get elections that they request. Also we would like each commissioner to conduct at least two elections each so certain commissioners don't do all the work and we would also like to help train elangomats for the important Dulaney Ordeal. At LLD some different ways to handle elections were shown so this will be explained so as always stay involved. The two of us look forward to this new year

Vice Chief of Ceremonies

Will Kemp

Greetings Brothers

As Vice Chief of Ceremonies I have a few goals for the chapter.

This year I would like to supply an Arrow of Light team to every pack that asks.

I want several teams trained in the ordeal and brotherhood ceremonies for our August ordeal. Finally I would like to repair at least one of our chapter war bonnets.

Vice Chief of Service

Conner Martin

Hi this is Connor Martin and I will be the Vice Chief of Service for the 2016 term! I am very excited to make more service projects accessible to arrowmen.

Lake Roland, Oregon Ridge and the Agricultural Center are all community organizations I am very excited to help this year with our brotherhood.

Thank you for electing me as our first Vice Chief of Service and I hope you're all looking forward to this years' service opportunities.

Secretary

Drew Perkoski

In my time as Dulaney Chapter Secretary I've had one goal in mind; do it all and do it well. That goal hasn't gone anywhere this year

We're in an age of communication and we need more people to handle our publications goals. This newsletter is just a beginning. Out reach to chapter members is critical to chapter activities after all. 2016 is a beginning of something bigger. We are the second century of the order.

Prelude to Fellowship

Drew Perkoski

Friends, Brothers, Arrowmen. The color war is on and Spring Fellowship is expected to be an intensely competitive event and the first large scale, non stop, challenge filled event of the year. We join with the Carroll and Thurgood Marshall chapters to form the Blue Team.

For those looking for a fun filled weekend of brotherhood and good times this is the place to be. Don't just come for the patch, come for the fun.

Spring Fellowship is April 8-10 at Camp Saffran. Register now at www.nentico.org

About The Pegasus

Many moons ago Dulaney Chapter had a very active newsletter called “The Pegasus” but over time this newsletter faded away. Over the course of the past year it has been a goal of Dulaney Chapter to bring back “The Pegasus” for the O/A's second century. As Chapter Secretary I'd like to thank my adviser, Mr. Dennis Sheaffer, my publications team, the 2015 Chapter Officers, and everyone else who has helped “The Pegasus”

Yours In Scouting,

Drew Perkoski
Chapter Secretary
