JANUARY CHAPTER MEETING

By Carl Bauer

Last meeting (January 23rd) we had a fun little new year's welcome back program where we met our new Officers and we had stations set up to test your teams skills and your team's ability to work together.

SECRETARY'S CORNER

Do you know any Sash and dash members?

A sash and dash member of the OA is someone who was elected into the OA and went through their ordeal, but they don't show up.

We don't want them to miss any fellowship so if you know a sash and dash see if you can get them to come with you for this month's (Feb 28th).

FEBRUARY CHAPTER MEETING

By Carl Bauer

This month's meeting, taking place on Tuesday, Feb 27th, will be about FIRE!

Bring twigs for the fire building competition so that your team can build a better fire than the other teams. NO CHEMICAL ACCELERANTS let's keep the competition fair and let the best fire-builder win!
