NEWSLETTER UPDATE
By Ian McGovern

We have been working hard and will have newsletters more regularly.

LAST MEETING
By Ian McGovern

Our February meeting was a huge success. With over 50 brothers in attendance. We learned how to and did make Para cord bracelets. See pictures below.

CEREMONIES
By Nick Scholl/Owen Timlen

The Ceremonies Committee has had a busy time representing the Order of the Arrow at events for both cub scouts and boy scouts. Dressed in full native regalia, our team has led 12 Arrow of Light ceremonies for local Cub Scout packs and are preparing for 4 more AOLs, as well as practicing the tap out at Camporee. The committee is looking forward to wrapping up the season.

To make this work, members meet every Tuesday to practice and memorize their parts. If you are interested in joining the committee, we ask that each member commit to participating in most practice sessions and volunteer to represent the OA in at least 4 performances during the season. If building excitement about scouting, having fun and making friends are important to you, join us.
Spring Service Day
