Dear Troop Leader(s),

We invite you and your Troop to join us in service to others by volunteering to help with the 2018 Dulaney District Webelos Camporee.

The Webelos Camporee is an exciting event for both 1<sup>st</sup> and 2<sup>nd</sup> year Webelos as they spend their weekend learning in an atmosphere of fun, fellowship and friendly competition. Webelos will participate in a variety of activities designed to enhance their knowledge of the skills necessary to be successful as they continue into the Boy Scout program. Parents will also have the chance to see what it's like to function as a patrol. Highlights of the weekend include skills trails, campsite inspections, uniform inspection, patrol flag competition, campfire and closing awards ceremony.

To be able to run an effective Camporee we need your help with the various trail stations and other events scheduled throughout the weekend. We have made every effort to keep the cost for this event to a minimum for all of our Boy Scout Troops. The cost for the weekend is \$7.00 per person and covers liability insurance and a patch for each boy scout and leader.

Each year our camporee has about 200 Webelos participating. This year, we will be providing both time and space for each Boy Scout unit to set up a table and talk to the Webelos leaders. This is to promote a relationship and meaningful communication between the two. Many leaders have no idea where they are going to bridge and where to get help with their dens, such as den chiefs and camping opportunities. This interaction can only benefit your Troop so we ask that all units volunteering that weekend participate. We will host this meet and greet on Sunday at the dining hall from 9:30 am – 10:30 am.
